

# SCOPE

## classroom subscription

---

Dear Parents,

We are asking your help in providing your child with a subscription to SCHOLASTIC SCOPE. This magazine is an important resource that we will be using in our classes to help students enjoy reading while improving their language arts skills.

SCOPE gets students excited about reading with teen-interest nonfiction, read-aloud plays, stories by top young-adult fiction authors, classic literature, poetry, and timely debates. SCOPE also includes features such as “Write This Way” writing activities for test preparation, “Vocabulary Builders,” “Reading Strategies,” plus a FREE grammar Skills Book.

SCOPE supports the language arts curriculum throughout the school year with 18 motivating, full-color issues. It includes grammar and punctuation exercises and interactive activities. The magazine also reflects national and state standards, and helps boost students’ test scores.

Your help in making SCOPE a part of your son’s or daughter’s class is greatly appreciated. Please send in cash or a check payable to Jenkins Middle School in the amount of \$7.35 to school, so that we can start using SCOPE as soon as possible.

Thank you for your help in making your teen’s education more relevant, meaningful, and successful.

Sincerely,  
8th Grade Language Arts Teachers
